

Buy a Share of a Log For RWT's New Education Facility

Rickmansworth Waterways Trust is raising funds to build a new Education Centre at Batchworth Lock following approval of plans on 25th May 2017.

- It will include a classroom, an office, storage, a small kitchen and toilets for the use of the children, teachers and volunteers
- It will be a high quality single storey wooden construction
- It will have disabled access and provide an ideal environment for delivering Learning at the Lock and other education programmes for both adults and children
- We envisage that the proposed building will provide a facility that local groups and the general public can use

With the funds identified so far we are just over half way to our initial estimate for the building of £250,000.

We would like to invite you to help towards raising the rest of the money by buying £10 shares in logs for the building.

Feel free to buy as few shares or as many as you would like and if you are a UK tax payer we can claim the gift aid and so each £10 share contributes £12.50 towards the building.

Please return the completed and signed form below with your contribution and we look forward to welcoming you to the opening of the building.

Would you like Rickmansworth Waterways Trust to be able to claim Gift Aid against this payment? Yes / No

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference.
